

Manual towing coupling, Rockinger C-RO40AG

The towing coupling is EU type approved and has a wide application area. It is especially suitable for trailers with rigid drawbar and centre axle trailers.

Specification

Type designation	C-RO40AG
Supplier name.....	Rockinger 400 G145
Coupling size	40 mm
Coupling performance*	
D	100 kN
Dc.....	92 kN
V.....	31 kN
Mounting hole pattern	
Length**.....	140 x 80 mm
Weight	164 mm
	34 kg

CUSTOMER BENEFITS

- Well thought-out and user-friendly design facilitates coupling and uncoupling.
- The one-piece cast mechanism housing gives protection from dirt and water. This ensures a reliable and durable coupling with low operations cost.

* For further information, refer to the brochure "Towing Members and Towing Couplings", available under Fact Sheets – Miscellaneous at the homepage for Volvo Product Information: <http://productinfo.vtc.volvo.se>

** Length measured from centre of pin to inside towing member.
