

FACT SHEET

# STORAGE IN LOWER CENTRE INSTRUMENT PANEL

CSPL-BX, open storage for personal belongings.

## Storage box and drawer in lower centre instrument panel

Practical storage compartments under the instrument panel's centre console with space for freight documents or a laptop computer, for instance. Rubber mat on the bottom to ensure that items do not slide around while driving.

### Sales variants

**CSPL-BX** Open storage in lower centre instrument panel

**CSPL-BXD** Storage drawer in lower centre instrument panel

CSPL-BXD, a drawer for storing personal belongings.

## DRIVER APPEAL

- Makes it easier to keep documents and personal belongings neat and tidy.
