

FACT SHEET

SIDE INTERIOR SUN VISOR

Side interior sun visor on the driver's side.

Side interior sun visor

The roller blinds can be adjusted to block out the sun, thereby preventing glare and reflections from obstructing the driver's vision. The manually operated side roller blind helps improve safety.

Sales variants

ISUNS-DS Side interior roller blind on the driver's side, manually manoeuvred

ISUNS-BS Side interior roller blind on both sides, manually manoeuvred

Side interior sun visor on the passenger side.

SAFETY

- Reduces the glare from the sun in the cab and contributes to improve the road safety.
