

FACT SHEET

REAR CAB UPPER STORAGE

RUS-HIGH

RUS-BAS

RUS-BAS (FM/FMX day cab)

Storage in rear compartment over bunk

All cabs are available with a rear shelf featuring two or three large compartments with closing hatches with horizontal roll front doors.

There are three different sizes (see sales variants). The choice of compartment will be dependent on the choice of cab size and upper bunk (see sales system VSS).

Sales variants

RUS-BAS 154 litres, 300 mm high

RUS-BAS (FM/FMX day cab) 60 litres, 300 mm high

RUS-HIGH 245 litres, 440 mm high

DRIVER APPEAL

- Generous space for storage with easy access.
- Safe, small risk of items falling out of the storage.
- Space for a refrigerator (RUS-HIGH).
