STEERING WHEEL MATERIAL

STWM-LE Leather steering wheel

Steering wheel for Volvo FH, FM, FMX and FH16.

Leather steering wheel

The steering wheel for Volvo FH and FM is in black leather with black stitchings and has a Raven (dark grey) colour on the steering wheel cover. Certain interiors for FH come with a Peregrine (light grey) steering wheel cover.

The steering wheel for Volvo FH16 and FMX is in black leather with coloured stitchings and Raven colour on the steering wheel cover.

Steering wheel for Volvo FH with certain interiors.

DRIVER APPEAL

- Leather of a high quality that offers a firm and pleasant grip.
- Elegant stitching enhances the overall aesthetic.
