

FACT SHEET

EXTERIOR SUN VISOR

SUNV-H Exterior front sun visor, transparent dark-grey

Exterior sun visor mounted on cab.

Exterior sun visor

The exterior sun visor has a transparent part in Dark grey and a solid top part. With the exterior trim level EXTL-BAS, the solid part is in Lightning grey. With EXTL-ENH, the solid part is painted in cab colour on the Volvo FH, and in satin dark silver paint on the Volvo FH16.

The sun visor is made of impact and heat resistant acrylic plastic and it is tested in wind tunnel for the best aerodynamics.

DRIVER APPEAL

- Enhances the exterior appearance.

SAFETY

- Reduces the sun glare in the cab and contributes to improved safety.
